Future Construction

Beginning in the Spring of 2006 El Valle de Los Ranchos Water & Sanitation District will begin construction on Phases 1C and 1D. Location of this next phase of construction will be south of Este Es Road and north of Espinoza Road. Construction in this area will take approximately four months. In this phase of construction the District will be building close to 2 miles of sewer line that will be able to service approximately 40 families.

The District is aware that there will be some inconvenience during construction and is committed to giving the residents of the area adequate notification of when construction crews will be in the area and early notification of road closures.

If you live in this area and have any questions or concerns please contact the District office at (505) 751-1700 and staff will be happy to assist you.

2005 Funding Requests

The Board of Directors of El Valle are very committed to obtaining funding for all seven phases of the water and wastewater sewer projects. In 2006 the Board has requested the following funding:

- \$1,025,000 for water
- \$1,500,000 to complete all of Phase I
- \$2,000,000 to begin Phase II

Our State Senators, Representatives and the Governor have all committed to assisting El Valle acquire funding in 2006.

The Board of Directors has also applied for a grant for the purpose of buying a permanent place of business for El Valle. If received they will begin looking for an appropriate place.

They have also applied to the New Mexico Environment Department for a \$500,000 loan for the purpose of purchasing water rights. These are necessary in order to secure funding for water projects.
