

EL VALLE DE LOS RANCHOS WATER & SANITATION DISTRICT

RESOLUTION 2024-05-03

A RESOLUTION REGARDING CUSTOMER SEWER AND WATER INSPECTIONS

WHEREAS, in order to effectively provide inspections to customers connecting to the District System the District has two inspectors available; and

WHEREAS, due to time constraints inspectors are not always available at the time the request for inspection is made to the District; and

WHEREAS, it is in the best interest of the District to set a policy regarding inspections.

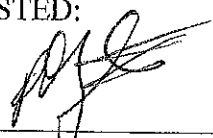

NOW THEREFORE, BE IT RESOLVED as follows:

1. Inspections are done Monday through Thursday and Friday between 9am and 12noon if an inspection is requested pursuant to this policy.
2. No inspections are done on Fridays for water or water meter installation.
3. Inspections are required for all new construction, prior to installing a back water valve and before any water tie-ins.
4. The customer is to provide a 24-hour notice of the need for inspection to the District in order to schedule the inspection.

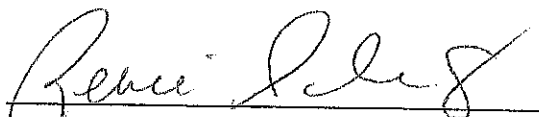

PASSED AND ADOPTED this May 8, 2024.
